	Check Size of booth needed	Fill in amount
One electrical outlet box is included in the booth rental. Additional boxes of 20 amps each are available at \$50 per box. One outlet is usually adequate for a single size booth. However, if you are running more than 2 appliances, you will probably need additional outlet boxes. <i>If your electrical needs are causing the circuit to blow, you will be asked to reduce your usage or rent a second box. You may not let your neighbor plug into your outlets.</i>	10'x10'	\$350
	10'X20'	\$700
	Number of extra electrical outlet boxes @ \$50 each	x \$50
I wish to pay on-line using Express Invoicing. Please bill my e-mail address.		* TOTAL ENCLOSED
